### This form is effective from 18<sup>th</sup> January 2024

CREATING COMMUNITIES SINCE 1963

Form 3

- The Retirement Villages Act 1999 requires a retirement village scheme operator to:
  - provide a copy of the Village Comparison Document to a prospective resident of the retirement village within seven days of receiving a request
  - include a copy of the Village Comparison Document with any promotional material given to a person, other than through a general distribution (e.g. mail-out)
  - publish the Village Comparison Document on the village's website so that the document, or a link to it appears prominently on each page of the website that contains, or has a link to, marketing material for the village

### Notice for prospective residents

Before you decide whether to live in a retirement village, you should:

- Seek independent legal advice about the retirement village contract there are different types of contracts, and they can be complex
- Find out the financial commitments involved in particular, you should understand and consider ingoing costs, ongoing fees and charges (which can increase) and how much it will cost you when you leave the village permanently
- Consider any impacts to any pensions, rate subsidies and rebates you currently receive
- Consider what questions to ask the village manager before signing a contract
- Consider whether retirement village living provides the lifestyle that is right for you. Moving into a retirement village is very different to moving into a new house. It involves buying into a village with communal facilities where usually some of the costs of this lifestyle are deferred until you leave the village. These deferred costs when you leave your unit may be significant.
- Seek further information and advice to help with making a decision that is right for you. Some useful contacts are listed at the end of this document, including:

- Queensland Retirement Village and Park Advice Service (QRVPAS) which provides free information and legal assistance for residents and prospective residents of retirement village. See www.caxton.org.au or phone 07 3214 6333.
